

Gala dinner of Hong Kong Business Association Vietnam

March 18

Our Director attended the gala dinner of Hong Kong Business Association Vietnam (HKBAV) which was sponsored by the HKETO. With a theme of “games”, the gala dinner was a fun-filled night with guests clad in costumes of different characters of classic games. The venue was turned into a playground with an array of game installations reminiscent of childhood memories. The “Hello Hong Kong” promotional video of HK Tourism Board was broadcast to give attending guests a taste of HK’s rich authentic experiences as a popular tourist destination. As HKETO’s valued working partner, HKBAV has long been the indispensable bridge between HK and Vietnam business sectors since its establishment in Ho Chi Minh City in 1999.
